Bodega Montevejo
Mendoza
(From Château Le Gay, Pomerol)

Bodega Montevejo is owned and operated by Chateau Le Gay, of Pomerol. The wines made at this very special property in Argentina are treated with the same dedication and care as those produced back home in Bordeaux. The vineyards, over 100 hectares, are located in the commune of Tunuyan, just 80km south of the city of Mendoza. The goal here is to create wines that can compete with the world's best. Yields are kept low and the vineyard is vertically trained, with vines planted at a density of 5,500 vines per hectare. This configuration corresponds to the region's traditional method of planting old vine Malbec at 1.8m x 1m spacing. We are honored to carry on this traditional method of agriculture, as we believe it is key aspect of what has created Argentina's worldwide reputation for truly world-class wine.

Bodega Monteviejo

Mendoza

(From Château Le Gay, Pomerol)

Bodega Monteviejo is located at the foothill of the Andes Mountains, south of Mendoza and next to Vista Flores. This winery was created by Catherine Péré-Vergé and is one of the most ambitious Argentinean project of late. The goal here is nothing less than to create some of the world's best wines. Her friend Michel Rolland is in charge of winemaking with Marcelo Peleritti, the manager of the winery. We grow traditional grape varieties, which include Malbec, Syrah, Merlot, Cabernet Sauvignon and Chardonnay.
