Château La Graviere *Lalande de Pomerol*

Well situated in Lalande de Pomerol, Château La Graviere is a small property whose old vines average about 50 years of age. Under the supervision of the oenologist Michel Rolland, the Château is held to a meticulous standard. With a total area of 2.30 hectares and an annual production of 400-500 cases, this little gem is truly a name to seek out. Part of the Rougefort Group, this estate is managed by the staff at Montviel, where its wines are vinified. As is typical of this region, the blend is Merlot (80%) and Cabernet Franc (20%); the barriques are 50% new. The second wine of La Graviere is Moulin la Graviere.
