Bodega Monteviejo, Blend *Mendoza*

Bodega Monteviejo is owned and operated by Chateau Le Gay, of Pomerol. The wines made at this very special property in Argentina are treated with the same dedication and care as those produced back home in Bordeaux. The vineyards, over 100 hectares, are located in the commune of Tunuyan, just 80km south of the city of Mendoza. The goal here is to create wines that can compete with the world's best. Yields are kept low and the vineyard is vertically trained, with vines planted at a density of 5,500 vines per hectare. This configuration corresponds to the region's traditional method of planting old vine Malbec at 1.8m x 1m spacing. We are honored to carry on this traditional method of agriculture, as we believe it is key aspect of what has created Argentina's worldwide reputation for truly world-class wine.
